**No. 106 of 1995**

**An Act to control the use and application of agricultural chemical products and veterinary chemical products, to provide for related matters and to repeal certain Acts**

**[Royal Assent 8 December 1995]**

Be it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:

## **PART 1 – PRELIMINARY**

### **1. Short title**

This Act may be cited as the *Agricultural and Veterinary Chemicals (Control of Use) Act 1995*.

*Agricultural and Veterinary Chemicals (Control of Use) Act*  
1995  
*Act No. 106 of 1995*

s. 2

Part 1 – Preliminary

---

**2. Commencement**

This Act commences on a day to be proclaimed.

**3. Interpretation**

(1) In this Act, unless the contrary intention appears

–

*Advisory Committee* means the Tasmanian Agricultural and Veterinary Chemicals Advisory Committee established under section 14;

*aerial spraying* means the spraying, spreading or dispersing of an agricultural chemical product from an aircraft in flight;

*agricultural produce* means any animal product or –

- (a) any carcass, or part of a carcass, of an animal; or
- (b) any plant or part of a plant, whether harvested or not; or
- (c) any commodity obtained from a plant or an animal; or
- (d) anything that is ordinarily used as, or manufactured into, food for humans or animals –

and includes any other commodity that is obtained from a plant or an animal and

s. 3

Part 1 – Preliminary

---

***approved insurance policy*** means a policy that is approved or belongs to a class of policy that is approved under section 36;

***Chief Veterinary Officer*** means the person holding office as Chief Veterinary Officer under the *Biosecurity Act 2019*;

***Code*** means the Agvet Code of Tasmania, within the meaning of the *Agricultural and Veterinary Chemicals (Tasmania) Act 1994*;

***contaminant***, in relation to stock or agricultural produce, means any residue of a chemical or chemical product in excess of the maximum residue limit or a metal in excess of the maximum permitted concentration or, if no such limit or concentration is declared, in excess of the level which may reasonably be expected to be detected in the stock or agricultural produce if not subjected to any specific source of the chemical or chemical product and includes a radioactive product;

***contaminated*** –

- (a) in relation to stock or agricultural produce, means stock or agricultural produce in or on which a contaminant is present; or

*Agricultural and Veterinary Chemicals (Control of Use) Act 1995*  
*Act No. 106 of 1995*

Part 1 – Preliminary

s. 3

---

- (b) in relation to a preparation or fitting, means a preparation or fitting which if used in the normal manner would cause or be likely to cause the presence of a contaminant in stock or agricultural produce;

***contaminated produce notice*** means a notice issued and in force under section 42;

***contaminated stock notice*** means a notice issued and in force under section 41;

***Council*** means the Agricultural, Silvicultural and Veterinary Chemicals Council established under section 9;

***deal with***, in relation to a chemical product, includes store or dispose of the product;

***Deputy Registrar*** means the Deputy Registrar of Chemical Products appointed under section 17;

***destruction notice*** means a notice issued and in force under section 45;

***fitting*** means any equipment or other thing used in the handling or keeping of stock;

***inspector*** means a person appointed as an inspector under section 47;

***maximum permitted concentration***, in relation to a substance present in stock or agricultural produce, means the

*Agricultural and Veterinary Chemicals (Control of Use) Act  
1995*

*Act No. 106 of 1995*

s. 3

Part 1 – Preliminary

---

concentration that is set out in any code, standard, rule, specification or guideline adopted or incorporated by regulations made under the *Food Act 2003* or declared under subsection (5) to be the maximum permitted concentration for that substance in relation to that stock or agricultural produce;

***maximum residue limit***, in relation to a substance present in stock or agricultural produce, means the level that is set out in any code, standard, rule, specification or guideline adopted or incorporated by regulations made under the *Food Act 2003* or declared under subsection (5) to be the maximum residue limit for that substance in relation to that stock or agricultural produce;

***operator***, in relation to an aircraft, means –

- (a) if the aircraft is subject to a hire-purchase agreement or a lease, the person in possession of the aircraft; or
- (b) if the aircraft is borrowed for use (whether or not under a financial arrangement), the person borrowing the aircraft; or
- (c) in any other case, the owner of the aircraft;

*Agricultural and Veterinary Chemicals (Control of Use) Act 1995*  
*Act No. 106 of 1995*

Part 1 – Preliminary

s. 3

---

***premises use restriction notice*** means a notice issued under section 43;

***preparation*** means any substance or mixture which, if it contained a chemical or chemical product, would cause or be likely to cause the presence of a contaminant in or on stock or agricultural produce;

***Registrar*** means the Registrar of Chemical Products appointed under section 17;

***Secretary*** means the Secretary of the Department;

***stock*** means any animal of a food-producing species or any animal of which any part is used as, or which produces any product that is ordinarily used as, or manufactured into, fibre and any other animal declared under subsection (3) to be stock;

***veterinary chemical product*** has the same meaning as in the Code except that, despite section 5 (4) of the Code, it includes –

- (a) a substance or mixture that is –
  - (i) prepared by a pharmacist in accordance with the instructions of a veterinary surgeon; or

*Agricultural and Veterinary Chemicals (Control of Use) Act*  
1995  
*Act No. 106 of 1995*

s. 3

Part 1 – Preliminary

---

(ii) prepared by a veterinary surgeon –

in the course of the practice, by the person preparing the substance or mixture of substances, of his or her profession; and

(b) a substance declared under subsection (3) to be a veterinary chemical product –

but does not include a substance that is declared under subsection (4) not to be a veterinary chemical product;

***veterinary surgeon*** means a veterinary surgeon registered under the *Veterinary Surgeons Act 1987*.

(2) Unless the contrary intention appears, a word or expression used in the Code has the same meaning in this Act as it has in the Code.

(3) The Minister, by notice in the *Gazette*, may declare –

(a) a commodity, or a class of commodity, that is obtained from a plant or an animal to be agricultural produce; or

(b) an animal to be stock; or

(c) a substance to be a veterinary chemical product; or

*Agricultural and Veterinary Chemicals (Control of Use) Act 1995*  
*Act No. 106 of 1995*

Part 1 – Preliminary

s. 3

---

- (d) a substance not to be a veterinary chemical product.
- (4) The Minister, by notice in the *Gazette*, may declare a product or substance, or a class of product or substance, which is not required to be registered under the Code to be a product or substance which is subject to this Act or such of the provisions of this Act as are specified in the order.
- (5) The Minister, by notice in the *Gazette*, may declare concentrations or limits in relation to a prescribed substance present in stock or agricultural produce to be the maximum permitted concentration or the maximum residue limit for that substance in relation to that stock or agricultural produce.
- (6) For the purposes of subsection (5), ***prescribed substance***, in relation to stock or agricultural produce, means –
- (a) a substance in respect of which the maximum permitted concentration or the maximum residue limit in relation to that stock or agricultural produce has not been set out in any code, standard, rule, specification or guideline adopted or incorporated by regulations made under the *Food Act 2003*; or
- (b) a substance declared under subsection (4).

s. 4

Part 1 – Preliminary

---

**4. Act binds Crown**

This Act binds the Crown in right of Tasmania and, so far as the legislative power of Parliament permits, in all its other capacities.

**5. Objectives to be furthered**

It is the obligation of any person on whom a function is imposed or a power is conferred under this Act to perform the function or to exercise the power in such a manner as to further the objectives set out in Schedule 1.

**6. Saving of other laws**

This Act does not affect in any way the operation of any other law unless the contrary intention appears or unless that law is not capable of operating concurrently with this Act.

**7. Exemptions**

- (1) If the Minister considers it is in the public interest to do so, and after consultation with the NRA, the Minister, by order, may exempt any person, product, equipment or method of application or any class of person, product, equipment or method of application from any of the provisions of this Act either unconditionally or in specified circumstances.
- (2) Before making an order under subsection (1), the Minister must consult with the Minister

administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994*.

## **8. Labels attached to containers**

- (1) For the purposes of this Act, a label is attached to a container if the label is securely attached or affixed to, appears on, or is included with, the container.
- (2) For the purposes of this Act but without limiting the generality of subsection (1) –
  - (a) writing appearing on a container is taken to have been written on a label attached to the container; and
  - (b) a reference to a label attached to a container includes a reference to writing appearing on the container; and
  - (c) a reference to attaching a label to a container includes a reference to putting writing on the container.

**PART 2 – ADMINISTRATION**

***Division 1 – The Agricultural, Silvicultural and Veterinary  
Chemicals Council***

**9. Establishment of Agricultural, Silvicultural and  
Veterinary Chemicals Council**

The Agricultural, Silvicultural and Veterinary  
Chemicals Council is established.

**10. Constitution of Council**

(1) The Council consists of –

- (a) the Secretary or a person nominated by the Secretary and approved by the Minister who is the chairperson of the Council; and
- (b) the Secretary of the responsible Department in relation to the *Environmental Management and Pollution Control Act 1994* or a person nominated by the Secretary of that Department and approved by the Minister administering that Act; and
- (c) the Secretary of the responsible Department in relation to the *Food Act 2003* or a person nominated by the Secretary of that Department and approved by the Minister administering that Act.

- (2) Schedule 2 has effect with respect to meetings of the Council.

## **11. Functions of Council**

The functions of the Council are as follows:

- (a) to advise the Minister, the Minister administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994* on matters relating to chemical products and their use;
- (b) to recommend to the Minister the making of orders and regulations under this Act;
- (c) to develop or approve codes of practice in relation to the handling of chemical products and the monitoring of residues in water supplies, food and fibre;
- (d) to monitor guidelines adopted for the use of chemical products nationally and internationally;
- (e) to examine standards of residues and develop guidelines to ensure best practice in the handling of chemical products;
- (f) to examine problems of the use of chemical products in farming and forestry and identify priority areas for action to minimise the presence of chemical products and residues;

*Agricultural and Veterinary Chemicals (Control of Use) Act  
1995*

*Act No. 106 of 1995*

s. 12

Part 2 – Administration

---

- (g) to commission research on economic methods to minimise the use of chemical products;
- (h) to perform such other functions as are imposed on it by this or any other Act.

**12. Powers of Council**

- (1) The Council may do all things necessary or convenient to be done for or in connection with, or incidental to, the performance of its functions.
- (2) Subject to subsection (3), the Council may direct the Registrar to suspend or cancel any permit issued by the Registrar.
- (3) The Council may not exercise its power under subsection (2) in relation to a permit which has been issued by the Registrar in accordance with an agreement with the NRA.

**13. Reports, &c.**

- (1) The Council is to give to the Minister such information and reports relating to its functions and powers as the Minister requires or as it considers appropriate.
- (2) If the Minister receives any information or report from the Council, the Minister is to give a copy of the information or report to the Minister administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994*.

***Division 2 – The Tasmanian Agricultural and Veterinary  
Chemicals Advisory Committee***

**14. Establishment of Tasmanian Agricultural and  
Veterinary Chemicals Advisory Committee**

The Tasmanian Agricultural and Veterinary  
Chemicals Advisory Committee is established.

**15. Constitution of Advisory Committee**

- (1) The Advisory Committee consists of –
- (a) the Registrar, who is the chairperson of the Advisory Committee; and
  - (b) a person employed in the Department who possesses experience in the assessment or regulation of chemical products nominated by the Secretary; and
  - (c) the Chief Veterinary Officer; and
  - (d) a medical practitioner, or a pharmacist, employed in the responsible Department in relation to the *Food Act 2003* nominated by the Minister administering that Act; and
  - (e) a person experienced in assessing the use and effects of chemicals nominated by the Minister administering the *Environmental Management and Pollution Control Act 1994*; and

*Agricultural and Veterinary Chemicals (Control of Use) Act  
1995  
Act No. 106 of 1995*

s. 16

Part 2 – Administration

---

- (f) a person nominated by the Tasmanian Farmers and Graziers Association to represent the users of chemical products; and
  - (g) a person to represent the interests of consumers; and
  - (h) a person to represent the interests of commercial operators conducting business in the application of chemical products; and
  - (i) a veterinary surgeon nominated by the Australian Veterinary Association (Tasmanian Division).
- (2) The members of the Advisory Committee, other than the chairperson and the member referred to in subsection (1)(c), are to be appointed by the Minister.
  - (3) Schedule 3 has effect with respect to the membership of the Advisory Committee.
  - (4) Schedule 4 has effect with respect to the meetings of the Advisory Committee.

**16. Functions and powers of Advisory Committee**

- (1) The functions of the Advisory Committee are as follows:
  - (a) to advise the Registrar on all matters relating to permits referred to it by the Registrar;

- (b) to recommend to the Council policies and guidelines relating to the use of chemical products;
  - (c) to advise the Council on any matter relating to chemicals and chemical products referred to it by the Council or considered by the Advisory Committee to be relevant.
- (2) The Advisory Committee may do all things necessary or convenient to be done for or in connection with, or incidental to, the performance of its functions.
- (3) If the Advisory Committee is of the opinion that any matter relating to its functions should be referred to the Minister, the Advisory Committee may refer the matter to the Minister and is to inform the Council of its opinion and make such representations and recommendations in relation to that matter to the Council as it considers appropriate.

***Division 3 – The Registrar***

**17. Registrar**

- (1) The Secretary, by instrument in writing, must appoint a person employed in the Department to be the Registrar of Chemical Products and a person employed in the Department to be the Deputy Registrar of Chemical Products.
- (2) A person appointed as the Registrar of Chemical Products or the Deputy Registrar of Chemical

Products holds that office in conjunction with State Service employment.

- (3) The Deputy Registrar may, subject to any direction given by the Registrar, perform or exercise any of the functions or powers imposed or conferred on the Registrar under this Act and any act or thing done by the Deputy Registrar in the performance or exercise of those functions or powers has the same force and effect as if it had been done by the Registrar.
- (4) In performing or exercising any of his or her functions or powers under this Act, the Registrar is to give consideration to any policies or guidelines established by the Council or the NRA and must act in accordance with any direction given to the Registrar by the Council.
- (5) The Registrar is to advise the Council of any decisions made by the Registrar or Deputy Registrar under this Act.
- (6) The Registrar is to advise the NRA of any permits issued under this Act.

---

**PART 3 – RESTRICTIONS AND PROHIBITIONS ON  
USE OF, OR DEALING WITH, CHEMICAL  
PRODUCTS**

**18. Offences involving use, &c., of chemical products**

- (1) A person must not use or deal with a chemical product unless –
- (a) it is registered under the Code and it is used or dealt with in accordance with a label approved under the Code in relation to that chemical product; or
  - (b) it is used or dealt with in accordance with a permit granted and in force under this Act or a permit issued and in force under the Code; or
  - (c) all the following subparagraphs apply:
    - (i) the chemical product was registered under the Code at the time it came into the person's possession;
    - (ii) the period beginning on the day when the chemical product ceased to be so registered and ending on the day when it was used is not longer than a period that the Registrar, after consultation with the NRA, has determined in relation to the

*Agricultural and Veterinary Chemicals (Control of Use) Act

---

chemical product for the purposes of this subparagraph;

- (iii) the chemical product was acquired for use and not for supply;
  - (iv) a recall notice has not been issued by the NRA in respect of the chemical product;
  - (v) an order has not been made under this Act prohibiting the chemical product's use; or
- (d) it is a veterinary chemical product prepared by –
- (i) a veterinary surgeon; or
  - (ii) a registered pharmaceutical chemist acting in accordance with the instructions of a veterinary surgeon –

and is handled in accordance with an advice notice or label in the prescribed form.

Penalty: Fine not exceeding 200 penalty units.

- (1A) If a chemical product is registered under the Code and is used –

*Act No. 106 of 1995*

Part 3 – Restrictions and Prohibitions on Use of, or Dealing With, Chemical  
Products

**s. 18**

- 
- (a) at a lower concentration than is advised on a label referred to in subsection (1)(a); or
  - (b) at a lower rate of application than is advised on that label; or
  - (c) at a lower frequency than is advised on that label; or
  - (d) on a crop identified on that label to treat a pest or disease that is not so identified –

that use of the chemical product is taken to comply with subsection (1)(a).

- (2) A person must not at any time (in this section referred to as “the relevant time”) have in the person’s possession or custody for the purpose of use a chemical product unless –
  - (a) it is registered under the Code; or
  - (b) the container containing the chemical product has attached to it a label identical to a label approved under the Code in relation to that chemical product; or
  - (c) all the following subparagraphs apply:
    - (i) the chemical product was registered under the Code at the time it came into the person’s possession;

*Act No. 106 of 1995*

Part 3 – Restrictions and Prohibitions on Use of, or Dealing With, Chemical Products

s. 20

---

**20. Orders prohibiting or regulating handling, &c.**

- (1) A person must not handle, use, prescribe or otherwise deal with any chemical product in contravention of an order made by the Minister that prohibits or regulates the handling of a chemical product or class of chemical product that—
- (a) is specified in the order; or
  - (b) contains a constituent that is, or is part of a class that is, specified in the order; or
  - (c) contains a constituent other than in the proportion specified in the order in relation to a class of constituents of which that constituent is a part.

Penalty: In the case of—

- (a) a corporation, a fine not exceeding 400 penalty units; or
  - (b) any other person, a fine not exceeding 200 penalty units.
- (2) The Minister, by order, may –
- (a) prohibit or regulate the handling of a chemical product by reference to any conditions or circumstances specified in the order; or
  - (b) prohibit the handling of a chemical product except as permitted by a permit granted and in force under this Act; or

1995  
*Act No. 106 of 1995*

**s. 20**      Part 3 – Restrictions and Prohibitions on Use of, or Dealing With, Chemical Products

---

- (c) prohibit or regulate the use of a chemical product –
    - (i) for all purposes; or
    - (ii) for any purpose specified in the order; or
    - (iii) for any purpose other than a purpose specified in the order; or
  - (d) prohibit or regulate the mixing together of chemical products; or
  - (e) prohibit or regulate the mixing of chemical products with any other substance; or
  - (f) prohibit or regulate the sale, supply or prescription of a veterinary chemical product by a veterinary surgeon; or
  - (g) prohibit or regulate the sale or supply of chemical products otherwise than in the normal course of sale by retail or by wholesale.
- (3) Before making an order under subsection (2), the Minister must consult with the Minister administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994*.

**21. Offence of commercial use without a licence**

A person must not offer a service for fee or reward which involves –

- (a) the use of a prescribed chemical product;  
or
- (b) the use of chemical products of a class that is prescribed; or
- (c) the use of a chemical product in a prescribed manner –

unless that person holds a commercial operator licence granted and in force under this Act and complies with any conditions of that licence.

Penalty: Fine not exceeding 200 penalty units.

**22. Commercial operator licence**

A commercial operator licence may be applied for, granted or refused only in accordance with Schedule 5.

**23. Offence of use, &c., of restricted chemical product without a restricted chemical product permit**

- (1) A person must not use a restricted chemical product unless that person holds a restricted chemical product permit granted and in force under this Act.

Penalty: Fine not exceeding 100 penalty units.

Part 3 – Restrictions and Prohibitions on Use of, or Dealing With, Chemical  
Products

s. 26

---

**26. Regulations with respect to use, &c., of certain  
chemical products**

- (1) Regulations under this Act may, in relation to any chemical product or class of chemical product, make provision –
  - (a) for regulating the preparation for use and handling of the chemical product or class of chemical product; and
  - (b) for the protection of persons from injury or illness, or the risk of injury or illness, arising from the handling, use or misuse of the chemical product or class of chemical product; and
  - (c) for prohibiting or restricting the classes of animals or plants to which the chemical product or class of chemical product may be applied.
- (2) Without prejudice to the generality of subsection (1), the regulations referred to in that subsection may, in relation to any chemical product or class of chemical product, make provision –
  - (a) imposing requirements with respect to the buildings and other premises in which the chemical product or class of chemical product is prepared for use or handled, the vehicles or vessels in which it is conveyed and the conditions in which it is prepared for use or handled; and

**PART 4 – CONTROLS OVER USE OF  
AGRICULTURAL CHEMICAL PRODUCTS**

**27. Orders controlling or prohibiting agricultural spraying or use of chemical products**

- (1) The Minister, by order, may control or prohibit agricultural spraying for the purpose of protecting susceptible plants and stock, public health, the environment and trade.
- (2) Before making an order under subsection (1), the Minister must consult with the Minister administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994*.

**28. Effect of order**

- (1) An order under section 27 applies as specified in the order –
  - (a) to all chemical products, a specified chemical product or a specified class of chemical products; and
  - (b) to all agricultural spraying or any specified method or methods of application; and
  - (c) in specified climatic or seasonal conditions; and
  - (d) in any other specified circumstance or on any other specified condition.

*Agricultural and Veterinary Chemicals (Control of Use) Act  
1995  
Act No. 106 of 1995*

s. 29

Part 4 – Controls Over Use of Agricultural Chemical Products

---

- (2) An order applies to the area specified in it to be the chemical control area, whether that area is the whole of Tasmania or a particular area.
- (3) An order may prohibit an activity except in accordance with an agricultural spraying permit granted and in force under this Act.
- (4) A person must comply with an order, unless the person acts in accordance with an agricultural spraying permit granted and in force under this Act.

Penalty: In the case of –

- (a) a corporation, a fine not exceeding 400 penalty units; or
- (b) any other person, a fine not exceeding 200 penalty units.

**29. Agricultural spraying permit**

An agricultural spraying permit may be applied for, granted or refused only in accordance with Schedule 5.

**30. Damage by spray drift**

- (1) A person must not carry out or cause to be carried out agricultural spraying which adversely affects any person, plants, stock, agricultural produce, water bodies, groundwater or soil, on premises, or any premises, not owned or occupied by the person carrying out or causing

*Agricultural and Veterinary Chemicals (Control of Use) Act 1995*  
*Act No. 106 of 1995*

to be carried out the agricultural spraying unless that person has obtained the permission of the owner or occupier of the premises.

Penalty: Fine not exceeding 200 penalty units.

- (2) It is a defence to a prosecution under subsection (1) to prove that the adverse effect on any person, plants or stock resulted from matters which could not have reasonably been anticipated.
- (3) In this section, *adversely affects*, in relation to plants, stock, agricultural produce, water bodies, groundwater or soil on premises, or any premises, means creating a residue of an agricultural chemical product in excess of the prescribed level in or on the plants, stock, agricultural produce, water bodies, groundwater, soil or premises.

**31. Notification to neighbours of agricultural spraying**

- (1) A person who has for at least 12 months owned or occupied premises in the vicinity of premises on which agricultural spraying is carried out or likely to be carried out –
  - (a) with a prescribed agricultural chemical product or class of agricultural chemical product; and
  - (b) within a prescribed distance from the boundary of the premises owned or occupied by the person; and

Part 4 – Controls Over Use of Agricultural Chemical Products

---

(c) in a prescribed manner –

may apply to the Secretary for a direction to be given by the Secretary to the owner or occupier of the premises on which the agricultural spraying is carried out or likely to be carried out requiring that owner or occupier to give notice to the applicant whenever agricultural spraying is to be carried out and of the name of the agricultural chemical product or class of agricultural chemical product to be used.

(2) A person who has for at least 12 months occupied as a tenant a dwelling on any premises on which agricultural spraying is carried out or likely to be carried out –

(a) with a prescribed agricultural chemical product or class of agricultural chemical product; and

(b) within a prescribed distance from the dwelling –

may apply to the Secretary for a direction to be given by the Secretary to the owner or occupier of the premises requiring the owner or occupier to give notice to the tenant whenever agricultural spraying is to be carried out and the name of the agricultural chemical product or class of agricultural chemical product to be used.

(3) If the Secretary is satisfied, on receipt of an application under subsection (1) or (2), that conditions exist entitling a person to apply to the Secretary for a direction, the Secretary must, on

*Agricultural and Veterinary Chemicals (Control of Use) Act 1995*  
*Act No. 106 of 1995*

---

payment of the prescribed fee, give a direction to the owner or occupier of the relevant premises.

- (4) The direction referred to in subsection (3) is to specify the time, determined by the Secretary, which must elapse between the giving of the notice and the carrying out of the agricultural spraying.
- (5) In determining the time which must elapse between the giving of the notice and the carrying out of the agricultural spraying, the Secretary must have regard to seasonal conditions, weather conditions, crop and pest development, availability of equipment and such other factors as the Secretary considers to be relevant.
- (6) A person to whom a direction under subsection (3) is given must comply with the direction.

Penalty: Fine not exceeding 200 penalty units.

- (7) Where the Minister is satisfied that agricultural spraying is carried out or likely to be carried out on any premises or class of premises, the Minister may make an order requiring the owner or occupier of the premises or the owner or occupier of the class of premises to give notice to any person or class of person specified in the order.
- (8) Before making an order under subsection (7), the Minister must consult with the Minister administering the *Food Act 2003* and the Minister administering the *Environmental Management and Pollution Control Act 1994*.

- (9) The Minister must make every reasonable effort to inform a person to whom the order applies of the order made by the Minister.
- (10) The Minister's power under subsection (7) may be exercised in specific circumstances, in specified classes of circumstances or generally.
- (11) A person must comply with an order made under subsection (7).

Penalty: Fine not exceeding 200 penalty units.

**32. Requirements for pilots**

- (1) A person must not pilot an aircraft to carry out aerial spraying unless the person –
  - (a) holds a pilot (chemical rating) licence granted and in force under this Act; and
  - (b) complies with all conditions (if any) of that licence.

Penalty: Fine not exceeding 200 penalty units.

- (2) A person must not pilot an aircraft to carry out aerial spraying unless the person –
  - (a) holds an agricultural aircraft operator licence granted and in force under this Act; and
  - (b) complies with all conditions (if any) of that licence.

Penalty: Fine not exceeding 200 penalty units.

(3) A person who does not –

(a) hold an agricultural aircraft operator licence; and

(b) comply with all conditions of that licence

–  
must not allow an employee or agent of that person to pilot an aircraft to carry out aerial spraying.

Penalty: Fine not exceeding 200 penalty units.

### **33. Pilot (chemical rating) licence**

A pilot (chemical rating) licence may be applied for, granted or refused only in accordance with Schedule 5.

### **34. Agricultural aircraft operator licence**

An agricultural aircraft operator licence may be applied for, granted or refused only in accordance with Schedule 5.

### **35. Requirements for aircraft operators**

(1) The operator of an aircraft must not allow aerial spraying to be carried out from that aircraft unless the operator holds an approved insurance policy.

Penalty: In the case of –

**47. Inspectors**

- (1) The Secretary, by instrument in writing, may appoint persons employed in the Department to be inspectors for the purposes of this Act.
- (2) The Secretary, by instrument in writing and with the consent of another Head of a State Service Agency, may appoint State Service officers and State Service employees employed in that Agency to be inspectors for the purposes of this Act.
- (3) A person appointed as an inspector under subsection (1) or (2) holds that office in conjunction with State Service employment.
- (4) The Secretary, by instrument in writing, may authorise any person, other than a State Service officer or State Service employee, to perform such of the functions, and exercise such of the powers, of an inspector as are specified in the notice.
- (5) The Secretary, by instrument in writing, may authorise a class of person employed in the Department to perform such of the functions, and exercise such of the powers, of an inspector as are specified in the notice for such period as is specified in the notice.

**48. Powers of inspectors**

(1) An inspector may –

(a) subject to subsection (6), enter at any reasonable time any premises on or at which the inspector reasonably suspects that –

- (i) any chemical product is prepared for use, sold, kept or stored; or
- (ii) any chemical product has been, is being or will be used; or
- (iii) there is any equipment that is used or intended to be used in connection with the use of a chemical product; or
- (iv) there is an aircraft that is used or intended to be used for aerial spraying; or
- (v) agricultural spraying has been or is being carried on; or
- (vi) there is or are any contaminated stock, any contaminated agricultural produce or any plants from which contaminated produce is likely to be derived; or
- (vii) there is any contaminated preparation or fitting; or
- (viii) there is or are any stock or plants which has or have been adversely

**49. Testing of contaminated stock, premises, agricultural produce, preparation or fitting**

- (1) An inspector may, by notice in writing given to the owner of any stock, premises, agricultural produce, preparation or fitting, require the owner to have that stock, premises, agricultural produce, preparation or fitting tested if the inspector reasonably suspects that –
  - (a) the stock is contaminated; or
  - (b) the growing of plants or the farming of stock on the land would be likely to result in the production of contaminated agricultural produce or the contamination of the stock; or
  - (c) the agricultural produce is contaminated; or
  - (d) the preparation is contaminated; or
  - (e) the fitting is contaminated.
- (2) Without limiting subsection (1), the notice may require –
  - (a) that samples or specimens from the stock, premises, agricultural produce, preparation or fitting are taken –
    - (i) under the supervision of an inspector; or

- (2) The Secretary or Registrar may refuse to consider the application further until the extra information is supplied.
- (3) An applicant who becomes aware of any material change to the information supplied in, or in relation to, the application must notify the Registrar or, if the application was made to the Secretary, the Secretary.

Penalty: In the case of –

- (a) a corporation, a fine not exceeding 20 penalty units; or
- (b) any other person, a fine not exceeding 10 penalty units.

**54. Information about licence, &c., may be required**

- (1) The Secretary or the Registrar may, by notice in writing given to the holder of a licence, permit or certificate, require that person to supply any information that is reasonably required to enable the Secretary or Registrar to decide whether the licence, permit or certificate should be cancelled.
- (2) A person who is given a notice must comply with the notice.

Penalty: In the case of –

- (a) a corporation, a fine not exceeding 50 penalty units; or
- (b) any other person, a fine not exceeding 20 penalty units.

**55. Information about possession**

- (1) An inspector may require a person in possession of a chemical product, or any substance, that the inspector reasonably suspects is a chemical product or a person in possession of any agricultural produce or any preparation or fitting that the inspector reasonably suspects contains a chemical product –
  - (a) to state the name and address of the person from whom the person in possession of the chemical product, substance, agricultural produce, preparation or fitting obtained it; and
  - (b) to provide any other information about the obtaining of the chemical product, substance, agricultural produce, preparation or fitting that the inspector reasonably requests.
- (2) A person must not, without reasonable excuse, fail to comply with a requirement.

**56. Confidentiality of commercial information**

- (1) In this section, *information* means –
  - (a) information that relates to a chemical product and that is included in an application under this Act; and
  - (b) any information that is supplied as required under section 53 or 54 or Schedule 5.
- (2) Information must be treated as confidential and, subject to subsection (4), the Registrar, the Secretary, a member of the Council, a member of the Advisory Committee or any State Service officer or State Service employee must not disclose that information to any person unless the disclosure–
  - (a) is made in pursuance of this Act; or
  - (b) is necessary in respect of any proceedings for an offence that are instituted or proposed to be instituted under this Act.

Penalty: Fine not exceeding 250 penalty units.

- (3) A court to which information is disclosed under subsection (2) or (5)(b) must do everything necessary to prevent disclosure of that

information to any person otherwise than for the purpose of the proceedings before the court.

- (4) The Registrar may disclose information –
- (a) to the person for the time being in charge of a Poisons Information Centre, if asked by that person in a poisoning emergency; or
  - (b) to the Secretary of the responsible Department in relation to the *Food Act 2003* (or a person nominated by that Secretary for the purposes of this paragraph) in prescribed circumstances.
- (5) A person to whom information is disclosed in pursuance of this Act must not disclose that information to any person unless the disclosure –
- (a) is made in pursuance of this Act; or
  - (b) is necessary in respect of any proceedings for an offence that are instituted or proposed to be instituted under this Act.

Penalty: Fine not exceeding 250 penalty units.

## **57. Review of decisions**

- (1) Subject to subsection (2), a person may appeal to the Appeal Tribunal against the decision of the Registrar, the Secretary or an inspector –

- (2) A person who has contracted with another person for the provision of services by that other person commits an offence against this Act, and is liable to the penalty for that offence, if that other person commits the offence in the course of providing those services for the person unless it is proved that –
  - (a) the person –
    - (i) did not authorise or permit the acts or omissions that constituted the offence; and
    - (ii) used all reasonable diligence to prevent them; or
  - (b) that other person would not have been convicted of the offence because of a defence available under this Act.

**63. Delegation**

- (1) The Secretary may delegate to the Registrar, the Deputy Registrar, any person employed in the Department or an inspector any of the Secretary's functions or powers, other than this power of delegation.

- (2) The Registrar may delegate to any person employed in the Department any of the Registrar's functions or powers, other than this power of delegation.

#### **64. Fees**

Any fee due under this Act bears interest at the rate prescribed in regulations made under this Act from the date that the fee becomes due to the date that it is paid.

#### **65. Protection from liability**

- (1) Any act or thing done, or omitted to be done, under this Act in good faith by the Secretary, the Registrar, a delegate of the Secretary or Registrar, the Deputy Registrar, an inspector or a person assisting an inspector in the performance or exercise or purported performance or exercise of any functions or powers of an inspector, does not subject the Secretary, the Registrar, the Deputy Registrar, the inspector, the person or the Crown to any action, liability, claim or demand.
- (2) Any loss or injury suffered by a person by reason of the handling or otherwise dealing with a chemical product in accordance with this Act, or a permit, approval or other authority issued under this Act, does not subject the Crown, a member of the Council, a member of the Advisory Committee, the Secretary, the Registrar, a delegate of the Secretary or Registrar, the Deputy Registrar or an inspector to any action, liability, claim or demand unless the

**SCHEDULE 3 – PROVISIONS WITH RESPECT TO  
MEMBERSHIP OF ADVISORY COMMITTEE**

Section 15

**1. Interpretation**

In this Schedule, *member* means a member of the Advisory Committee other than the chairperson of the Committee or the member referred to in section 15(1)(c).

**2. Change of name, &c.**

- (1) If a body referred to in section 15(1) changes its name, the Governor may, by order, amend that subsection by substituting the body's new name.
- (2) If a body referred to in section 15(1) ceases to exist, the Governor, on the recommendation of the Advisory Committee, may, by order, amend that subsection by substituting the name of a body which the Governor is satisfied substantially represents the interests represented by the first-mentioned body.

**3. Period of appointment**

A member is to be appointed for such term, not exceeding 3 years, as is specified in the member's instrument of appointment and, if otherwise qualified, is eligible for reappointment from time to time.

**4. Provisions requiring devotion of whole of time to other duties**

Where, by or under any Act, provision is made requiring the holder of an office to devote the whole of his or her time to the duties of office under that Act, that provision does not operate to disqualify that person from holding that office and also the office of a member of the Advisory Committee.

**5. Terms and conditions of appointment**

- (1) A member holds office on such terms and conditions not provided for in this Act as are determined by the Minister.
- (2) Subject to subclause (3), a member is entitled to be paid such remuneration and allowances as the Governor may from time to time determine.
- (3) A member who is a State Service officer or State Service employee is not entitled to remuneration under subclause (2) except with the approval of the Minister administering that Act.

**6. Disclosure of interests**

- (1) A member who has a direct or indirect pecuniary interest in a matter being considered or about to be considered by the Advisory Committee must as soon as practicable after the relevant facts come to the knowledge of the member, disclose the nature of that interest at a meeting of the Advisory Committee.

*Agricultural and Veterinary Chemicals (Control of Use) Act  
1995  
Act No. 106 of 1995*

**sch. 3**

---

- (2) A disclosure under subclause (1) is to be recorded in the minutes of the meeting of the Advisory Committee and the member must not, unless the Advisory Committee otherwise determines –
  - (a) be present during any deliberation of the Advisory Committee with respect to that matter; or
  - (b) take part in any decision of the Advisory Committee with respect to that matter.
- (3) For the purpose of making a determination by the Advisory Committee under subclause (2) in relation to a member who has made a disclosure under subclause (1), a member who has a direct or indirect pecuniary interest in the matter to which the disclosure relates must not take part in the making by the Advisory Committee of the determination.

**7. Deputies of members**

- (1) The Minister may appoint a deputy of a member of the Advisory Committee.
- (2) A person appointed as a deputy of a member of the Advisory Committee must be nominated by the person or body which nominated that member for appointment.
- (3) If a member of the Advisory Committee is unable for any reason to perform the duties of a member, the member's deputy may perform

those duties and, when doing so, is taken to be a member.

- (4) A deputy member of the Advisory Committee holds office for such term, not exceeding 3 years, and on such conditions, as are specified in his or her instrument of appointment.

### **8. Vacation of office**

- (1) A member vacates office if he or she –
- (a) dies; or
  - (b) resigns; or
  - (c) is removed from office under subclause (2), (3) or (4).
- (2) The Minister may remove a member from office if the member –
- (a) is absent from 2 consecutive meetings of the Advisory Committee without the permission of the Advisory Committee; or
  - (b) becomes bankrupt, applies to take the benefit of any law for the relief of bankrupt or insolvent debtors, compounds with his or her creditors or makes an assignment of his or her remuneration or estate for their benefit; or

*Agricultural and Veterinary Chemicals (Control of Use) Act*  
1995  
*Act No. 106 of 1995*

**sch. 3**

---

- (c) is convicted in Tasmania or elsewhere of a crime or an offence punishable by imprisonment for 6 months or longer; or
  - (d) is convicted of an offence against this Act; or
  - (e) fails, without reasonable excuse, to comply with clause 6.
- (3) The Minister may remove a member from office if satisfied that the member is unable to perform adequately or competently the duties of office.
- (4) The Minister may remove a member from office if –
- (a) the Minister is satisfied, having regard to the information supplied by the person or body which nominated that member, that the member is no longer qualified to be a member of the Advisory Committee; or
  - (b) that person or body recommends the removal of that member.

**9. Filling of vacancies**

- (1) If the office of a member becomes vacant, the Minister may appoint a person to the vacant office for the remainder of that member's term of office.
- (2) A person appointed to the vacant office must be suitably qualified and, where appropriate,

**SCHEDULE 4 – PROVISIONS WITH RESPECT TO  
MEETINGS OF ADVISORY COMMITTEE**

Section 15

**1. Interpretation**

In this Schedule, *member* means a member of the Advisory Committee.

**2. Convening of meetings of the Advisory Committee**

A meeting of the Advisory Committee may be convened by the chairperson of the Advisory Committee or by any 2 members or by the Secretary.

**3. Procedure at meetings**

- (1) Five members of the Advisory Committee, of whom one must be a person employed in the Department and one must be a person nominated by the Minister administering the *Food Act 2003* or the Minister administering the *Environmental Management and Pollution Control Act 1994*, form a quorum at any duly convened meeting of the Advisory Committee.
- (2) Any duly convened meeting of the Advisory Committee at which a quorum is present is competent to transact any business of the Advisory Committee.

- (3) Questions arising at a meeting of the Advisory Committee are to be determined by a majority of votes of the members present and voting.

#### **4. Chairperson**

- (1) The chairperson of the Advisory Committee is to preside at all meetings of the Advisory Committee at which the chairperson is present.
- (2) If the chairperson of the Advisory Committee is not present at a meeting of the Advisory Committee a member elected by the members present is to preside at that meeting.

#### **5. General procedure**

The procedure for the calling of, and for the conduct of business at, meetings of the Advisory Committee is, subject to any procedure that is specified in this Act, to be as determined by the Advisory Committee.

AUTHORITIES**

**1. Interpretation**

In this Schedule, *authority* means –

- (a) a permit under section 19; or
- (b) a commercial operator licence under section 22; or
- (c) a restricted chemical product permit under section 24; or
- (d) an agricultural spraying permit under section 29; or
- (e) a pilot (chemical rating) licence under section 33; or
- (f) an agricultural aircraft operator licence under section 34.

**2. Applications**

- (1) A person may apply to the Registrar for the grant of an authority.
- (2) An application must –

- (a) be in a form approved by the Registrar;  
and
  - (b) include any information that the Registrar reasonably requires; and
  - (c) except in the case of an application for a permit under section 19, be accompanied by the relevant prescribed fee; and
  - (d) be lodged in a manner approved by the Registrar.
- (3) An applicant for a permit under section 19 must pay the prescribed fee on or before the date specified by the Registrar.

### **3. Grant or refusal**

- (1) The Registrar may grant or refuse to grant an authority.
- (2) An authority is subject to any conditions imposed by the Registrar and specified in the authority.
- (3) The Registrar may, by notice in writing to the holder of an authority, vary or omit any conditions of the authority and impose new conditions.
- (4) The Registrar may refuse to grant an authority –
  - (a) if the applicant has been convicted of a crime or an offence punishable by imprisonment; or

(b) on any prescribed ground.

**4. Cancellation or suspension**

(1) The Registrar may, by notice in writing to the holder of an authority, cancel or suspend the authority if –

(a) the holder has not complied with a condition of the authority; or

(b) the holder has been convicted of an offence against a relevant Act; or

(c) a relevant fee has not been paid on or before the due date; or

(d) the Registrar becomes aware of any information which, if it had been known at the time the authority was granted, would have prevented the grant of the authority; or

(e) any prescribed ground exists.

(2) A notice must specify –

(a) the date on which the cancellation or suspension takes effect; and

(b) in the case of suspension –

(i) the period of suspension; or

- (ii) any conditions that must be satisfied before the suspension will be lifted.

### **5. Notice of reasons and opportunity to comment**

Before suspending or cancelling an authority or refusing to grant an application for an authority, the Registrar must give the applicant for, or the holder of, the authority –

- (a) notice of the reasons for the proposed action; and
- (b) the opportunity to submit written comments on the proposed action.

### **6. Term of Authority**

An authority continues in operation for the term (not exceeding 5 years) specified in it, unless it is cancelled before then.

### **7. Fees**

The holder of an authority must pay the relevant prescribed fee on or before the due date each year.
